

## **Stephen Ministry Training to be Offered in October**

Stephen Ministry Training will be offered at Hope starting in early October. The 50 hour training course will teach you to help others through Christ.

Stephen Ministry Training Workshops are events where you and others from Hope will:

- catch a vision for lay caring ministry;
- experience Stephen Minister training; and
- learn the basics about Stephen Ministry—how it works, the benefits it offers, and how to bring Stephen Ministry care to Hope and our community

You'll come away with a clear understanding of the difference Stephen Ministry makes and a vision for working with others in Christ..

Attending one of these workshops is necessary for you to begin Stephen Ministry—and they are an excellent way to become and learn what Stephen Ministry is all about.

Please request the application form for the training from Steve Northsea.
