

Valentine's Day Party Announced

Since Valentine's Day falls on a Saturday this year, it makes sense to have a party. So, we'll have one, from 3pm -5pm on February 14. This leaves time for more adult activities in the evening. The youth have agreed to be the DJs for us, with music from the 1940s to the 2010s, Big Band to Rock to Disco to, well, maybe not Hip-hop. We'll pay the youth to play our songs, so we can send them to Motown for the Youth Gathering this summer and on other local adventures. For those couples who so desire, there will be an opportunity for renewal of wedding vows led by Pastor Lynn. The refreshments will be pot-luck appetizers and sweets, so get out your cookbooks and your party hats and join us for an afternoon of fun.
