

Wisdom Seekers Special Event

On Wednesdays March 9 and 16 the Wisdom Seekers class will watch the 2005 CBS Primetime Video: *In God's Name*. We invite you to join us. You may have seen it when it was first shown. It is worth watching again.

Following is the official description of the presentation.

CBS Press Release: On the day of the terrorist attacks in September 2001, Jules and Gédéon Naudet were caught in the collapse of the World Trade Center. Jules was shooting inside when the South Tower fell. "On Sept. 11, we faced death and thought we had lost each other," said Jules Naudet. "This harrowing experience was the first step in a journey that would take us around the world searching for answers to the meaning of life."

The brothers' quest took them to Egypt, England, India, Israel, Japan, Lebanon, Russia and the Vatican, as well as Illinois and South Carolina.

"We chose these 12 leaders because of the vast number of believers - more than four billion - that their faiths represent," said Gédéon Naudet. "We also wanted to explore the diversity of spirituality in our world today."
